Independent auditor's review report on the interim condensed consolidated financial statements to the shareholders of Saudi Telecom Company

(A Saudi Joint Stock Company)

Kingdom of Saudi Arabia

#### Introduction:

We have reviewed the accompanying interim condensed consolidated statement of financial position of Saudi Telecom Company - a Saudi Joint Stock Company ("the Company") and its subsidiaries (collectively referred to as "the Group") as at 31 March 2023, and the related interim condensed consolidated statements of profit or loss and comprehensive income, cash flows and changes in equity for the three months period then ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard 34, "Interim Financial Reporting" ("IAS 34") endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

#### Scope of Review:

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" endorsed in the Kingdom of Saudi Arabia. A review of interim financial statements consists of making inquiries, primarily to persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### **Conclusion:**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34 endorsed in the Kingdom of Saudi Arabia.

#### 10- FAIR VALUE MEASUREMENT OF FINANCIAL INSTRUMENTS

The Group uses valuation techniques appropriate to current circumstances that provide sufficient data to measure fair value. In addition, for the financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- a- Level "1" inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access at the measurement date.
- b- Level "2" inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- c- Level "3" inputs are unobservable inputs for valuing the asset or liability, either directly or indirectly.

The fair values of the financial instruments represented in trade receivables, short-term murabahas, cash and cash equivalents, and trade and other payables closely approximate their book value due to the short maturity.

#### Financial assets measured at fair value:

31 March 2023	Carrying amount		Fair value	
		Level 1	Level 2	Level 3
Financial assets				
At fair value through profit or loss: stc Ventures Fund and STV LP Fund	2,924,871			2,924,871

		Level 1	Level 2	Level 3
<u>Financial assets</u>				
At fair value through profit or loss: stc Ventures Fund and STV LP Fund	2,929,065			2,929,065

There were no transfers between levels of the fair value hierarchy during the three months period ended 31 March 2023.

The fair value of the non-current liability resulting from the put option to non-controlling interest shareholders has been determined using discounted cash flow valuation method and is classified within level 3 of fair value measurement (note 15-1).

### 10- FAIR VALUE MEASUREMENT OF FINANCIAL INSTRUMENTS (CONTINUED)

The fair value of the Group's investment in the units of stc Ventures Fund and STV LP Fund (the "Funds") is obtained from the net asset value ("NAV") reports received from the Funds' managers.

The Funds' managers deploy various techniques (such as recent round of finance, discounted cash flow models and multiples method) for the valuation of underlying financial instruments classified under level 3 of the respective Fund's fair value hierarchy. Significant unobservable inputs embedded in the models used by the Funds' managers include risk adjusted discount rates and lack of marketability discount.

The following is a reconciliation of the Group's investment in these Funds, which are categorised within Level "3" of the fair value hierarchy:

	31 March 2023	31 December 2022
Net assets value as at beginning of the period	2,929,065	2,135,246
Contributions paid to the funds during the period	52,418	412,342

condensed consolidated statement of profit or loss (1)	(56,612)	398,359

<sup>(\*)</sup> The net unrealized (losses) gain recognised was included within net other (losses) gains item in the interim condensed consolidated statement of profit or loss.

#### Financial assets and liabilities measured at amortized cost:
