2019

Disclaimer

Saudi Telecom Company (STC) has prepared this presentation to the best of its abilities, however, no warranty or representation, express or implied is made as to the adequacy, correctness, completeness or accuracy of any numbers, statements, opinions, estimates, or other information contained in this presentation.

This presentation has been prepared as an informative guide that might assist interested parties in gaining an insight into the history and background of telecommunications within Saudi Arabia, as they relate to STC. Furthermore, it does not constitute an invitation or inducement to purchase or dispose of any securities, either in STC, or any companies in which STC has a financial interest.

The information contained in this presentation is subject to change and we disclaim any obligation to update you of any such changes, particularly those pertaining to the forward-looking statements.

In addition, there may also be 'forward looking' statements included within the meaning of current securities laws and regulations. In this context, any opinions expressed within this document, regarding the company's potential future performance, should be viewed as being accurate at the time of preparation. However, cognizance should be taken of the fact that uncertainty may dictate that actual performance differs substantially from any views articulated herein.

Redefine customer experience through personalization of every interaction

Expand Aggressively
Scale And Scope

Pursue concrete opportunities for growth

- ▶ To raise our ranking on the E-Government Survey Index from our current position of 36 to be among the top five nations.
- ▶ To increase the private sector's contribution from 40% to 65% of GDP.
- ▶ To increase women's participation in the workforce from 22% to 30%.
- ▶ To move from our current position as the 19th largest economy in the world into the top 15.
- ▶ To lower the rate of unemployment from 11.6% to 7%.
- ▶ To increase SME contribution to GDP from 20% to 35%.
- ▶ To increase our capacity to welcome Umrah visitors from 8 million to 30 million every year.

- ▶ Provide broadband services to all KSA regions by stimulating investment in infrastructure and regulatory frameworks.
- ▶ Support e-commerce.
- ▶ Bridge the digital gap in the skills of ICT users.
- ▶ Increase the IT industry's contribution in the non-oil GDP.
- ▶ Rehabilitation of specialized Saudi human capital and employment in the CITC sector.
- ▶ Develop and activate smart government transactions based on a common infrastructure.

Elements from STC strategy:

- ▶ Lead market in digital services and creative solutions
- ▶ Drive efficiencies through digital transformation
- ▶ Digitalise processes, internal operations, delivery engine and commercial approach
- ▶ Instill culture change
- ▶ Grow B2G and B SME segments
- ▶ Lead technological advancement and provide best in class connectivity platform
